## *Maneeley's Catering & Rental*

*Our dedicated staff will exceed your every expectation.*

*Select from our Buffet, Plated Dinner or Cocktail Stations menus,  
or customize your menu with the assistance of  
our Director of Events, Sandy Dimitratos.*

*Maneeley's Catering is different from most other catering companies in one major way: we own ALL of our china, glassware and stainless flatware; this means that there is no additional rental fee for these items and they are included in your package.*

*We also have our own staff, rather than staff used from a rental agency. We interview, train and run background checks on all of our staff which allows for stability in service, something our client's always appreciate. Sandy and Bruce personally attend to our brides and work with you through your entire wedding process, guaranteeing that your special day will be a day to remember.*

*Planning your wedding reception is our passion!!*
